

Application Form

I/we hereby submit application for full membership of the Bridgewater Players and I understand that a membership fee of **£10.00** per annum is payable to the Society and must be forwarded with this application.

New members are always welcome, not only actors, as there are plenty of jobs to occupy those not wishing to "tread the boards". You could try your hand at make-up, set design, prompt, costume, stage properties - the list is endless. So why not come and meet us? We will be pleased to see you on any rehearsal evening. You never know, you may discover hidden talents.
